CABLE ROUTE

Please note that the way the kit is packed does not necessarily represent the way of mounting to the bike

- Remove seats and the rear bodywork.
- Undo the fixings holding the tail unit to the bike, unplug wiring & undo the two bolts holding the seat lock to the sub frame and remove the tail unit
- Remove the OEM rear/brake light unit and fit to the R&G tail unit using the OEM fixings.
- Fit the R&G license plate light to the R&G tail unit.
- Remove OEM indicators and fit to the R&G tail unit. If you are fitting after market indicators (R&G mini indicators are available – see our product code RG370) use the four inserts supplied with the kit.
- Remove the lock from the OEM tail unit (note the way the spring is fitted and the position of the arm) and fit to the R&G unit (see picture above bottom left)
- Using the four M6 button head bolts fit the two parts of the R&G unit together.
- Offer the R&G unit up to the bike and route all wires back through the sub frame, and making sure the lock cable is not trapped use the OEM bolts and loosely fit to the bike.
- Fit the seat lock back on to the sub frame making sure that when the key is turned the lock works freely. If the lock does not work freely reroute the cable so that it does. (See picture above bottom right).
- Reconnect all wiring and tighten the tail tidy

CONSUMER NOTICE

The catalogue description and any exhibition of samples are only broad indications of the Products and R&G may make design changes which do not diminish their performance or visual appeal and supplying them in such state shall conform to the order. The Buyer acknowledges no representation or warranty (other than as to title) has been given or will apply to the Products other than those in R&G's order or confirmation and the Buyer confirms it has chosen the Products as being of merchantable quality and suitable for its particular purposes. Where R&G fits the Products or undertakes other services it shall exercise reasonable skill and care and rectify any fault free of charge unless the workmanship has been disturbed. The Buyer is responsible for ensuring that the warranty on the motorcycle is not affected by the fitting of the Products. On return of any defective Products R&G shall at its option either supply a replacement or refund the purchase money but shall not be liable if the Products have been modified or used or maintained otherwise than in accordance with R&G's or manufacturer's instructions and good engineering practice or if the defect arises from accident or neglect. Other than identified above and subject to R&G not limiting its liability for causing death and personal injury, it shall not be liable for indirect or consequential loss and otherwise its liability shall be limited to the amounts paid by the Buyer for the Products or the fitting or service concerned. These terms do not affect the Buyer's statutory rights.

R&G RACING RETURNS POLICY (NON-FAULTY GOODS)
